

4mm Miscellaneous Items

[This list has been collated to assist 4mm modellers with an interest in the LNWR or the LMS. The information provided has been collated from manufacturers' lists, catalogues and websites at the beginning of 2012 and from the collective memories of a number of Society members who have built 4mm models over the years. Every effort has been made to ensure the accuracy of the list, but if you are aware of any errors or omissions, please send an email to the Modelling Group](#)
